

Session The End - Putting it all together.

1. You now have a total of 35 blocks, they should all measure $12 \frac{1}{2}$ ".
2. Follow the diagram and lay out your quilt. Keep an eye on the Two by Three blocks, they change direction.
3. Join the blocks into rows and the rows into a quilt.

Great work!!! Your quilt top is now together.

Quilting:-

Layer and quilt as desired.

Binding:-Use binding strips from first border fabric and bind the edges of your quilt.
